

## 1:1 Technology Device Protection Plan Options

*The Pine City School District recognizes that with the implementation of the Dragons in the Cloud 1:1 Technology initiative that there is a need to protect the investment by both the District and the Student/Parent. The following information outlines the various areas of protection: warranty, accidental damage protection and insurance. Parents/Guardians will need to choose/purchase one of the plans below before the device is checked out to the student. **The need for a protection plan only applies when a student will be taking the device home. There is no cost to use the device in school. The protection plan ONLY covers the device. If damaged, the cover, cord and charger are the responsibility of the parent/guardian.***

### **School District Protection**

*School District Protection is available for students and parents to cover device's replacement in the event of theft, loss, or accidental damage. The protection cost is \$30.00 annually for each device with a maximum cost of \$150.00 per family (per year). This plan will include one replacement, additional replacements will result in charging the parent the cost of the repair. A second plan may be purchased IF a device is damaged and coverage is used. If the device cannot be repaired, the parent will be charged the total cost of replacement (\$405 for the iPad and \$300 for the Chromebook).*

### **Personal Home or Homeowners Coverage**

*Students or parents may wish to carry their own personal insurance to protect the device in cases of theft, loss, or accidental. Please consult with your insurance agent for details about your personal coverage of the device. You will need to show proof of insurance to the school before your student(s) are allowed to check out a device.*

### **No Insurance (Full Deposit)**

*You agree to pay for the replacement of the device at a cost not to exceed \$405 for the iPad/\$300 for the Chromebook should the device be stolen, lost or damaged in any way. A deposit of the full amount will be provided before a device is checked out to your student. The deposit will be returned at the conclusion of the student use. Any damage fees will be subtracted from the deposit amount.*

## 1:1 Technology Device Loan Agreement

- 1. This home loan 1:1 Technology device agreement, which is signed each year by the parent/guardian and student will be kept on file in the media center. This signed form must be accompanied by the \$30 school year usage fee, proof of personal insurance, or the damage deposit for a the device, unless other arrangements have been approved by the District. A copy will be given to the parent/guardian upon request.*
- 2. The software is the licensed property of the Pine City Public School District. The configuration of the device's hardware equipment and all accompanying software may not be altered, nor can software on it be copied to other devices.*
- 3. Use of this equipment for any purpose other than educational use may result in loss of computer privileges. The use of this equipment in violation of any policy may result in the loss of technology loan privileges and/or in disciplinary action by the school.*
- 4. The Pine City Public School District reserves the right to limit a student's access to the computer or the Internet for any reason.*
- 5. Parents/guardians accept full responsibility for any loss, theft or damage to the device and accessories while issued to their student. In the event of damage to the computer or accessories not covered by the device's warranty, the parent/guardian will be responsible for the cost of repair. In the event the device is returned damaged, all costs and fees related to the collection of the cost of repair (legal counsel, postage, process server, filing fee, court costs, etc.) will be the parent's responsibility.*
- 6. If the device is damaged or not working properly, it must be returned to the Pine City Public School District's Technology Integration Specialist (Media Center) in each building for repair or replacement. If the problem is identified as warranty work a spare device may be made available to the student. Students and parents/guardians are NOT authorized to attempt repairs themselves or to contract with any other individual or businesses for repair of the device.*
- 7. The device, which is the property of Pine City Public School District, must be returned prior to the end of the school year by the date designated by the District, or at termination of enrollment for any reason, in the condition in which it was given. The parents/guardians will be responsible to reimburse the district for the value of any device that is not returned.*
